Yesterday, Ranking Member Darrell Issa [released a new report, "Follow the Money: ACORN, SEIU and their Political Allies"](#) as a follow-up to a report on ACORN released July 23, 2009. The report includes new information gathered by committee investigators including over 50,000 pages of documents from ACORN offices in California and Oklahoma, from ACORN insiders in Missouri, Colorado, New York and Louisiana, and from Secretary of State offices and other election officials in nearly every state in the continental United States.
